

《穿成渣 A 後我的 O 懷孕了》作者：李思諾

文案：

梁适穿進了一本百合 ABO 文中。

原文中，原身是個又蠢又毒的炮灰渣 A，在女主許清竹家族企業面臨破產之際，她用盡手段把人娶到手，婚後她強行標記不成，憤怒之下毀掉了許清竹的腺體，最後造成了女主身體的終生殘缺。

自那之後，許清竹迅速和她離婚，艱難支撐着家族企業，最終鳳凰涅槃而生。

而原身這個炮灰卻被爆出她并非梁氏的 Alpha 大小姐，真正的梁氏繼承人其實另有其人，原身本就仇人無數，最後到大街上乞討，被許清竹的愛慕者打斷雙腿，腺體還被人挖了喂狗。

梁适：……

一時間竟然不知道先該同情誰。

剛穿越過來的梁适，整個人都是懵的，房間內瀰漫着強烈的 Omega 信息素，濃郁的草莓寶利甜酒味讓梁适差些把控不住。

許清竹的發情期到了？

未等她走近，許清竹聲音嘶啞，痛恨且不甘的望向她：“你別過來！”

一想到原身的下場，梁适強裝淡定：“告訴你個秘密，其實我信息素標記無能，我不行。”

許清竹：“……？”

梁适的目的很明確，和許清竹離婚，主動遠離梁家，拾起自己的老本行，認認真真拍戲賺錢，成為娛樂圈當之無愧的頂流。

賺錢它不香嗎？

然而沒過不久，經紀人讓她去見投資人“爸爸”。

總裁辦公室內，梁适硬着頭皮問：“許總考慮好和我離婚了嗎？”

許清竹：“我有了，是你的。”

梁适：“……？”

望着許清竹微微隆起的小腹，梁适陷入沉思。

養總裁和崽崽到底需要拍多少戲？

1V1//ABO 有私設//不喜可點叉

女 A 無器官//女 O 會懷孕

一句話簡介： 渣A從良養崽日記

立意： 拒絕感情中的不良行為。

"After I Transmigrated Into a Scumbag Alpha, My Omega Got Pregnant"

Author: Li Sinuo

Synopsis:

Liang Shi transmigrated into a yuri¹ ABO² novel.

In the original story, the original body was a stupid and vicious cannon fodder³ scumbag Alpha.

When the female lead Xu Qingzhu's family enterprise was facing bankruptcy, she used every

means to marry her. After marriage, she forcibly attempted to mark⁴ her but failed.

In her anger,

she destroyed Xu Qingzhu's glands⁵, ultimately causing permanent physical damage to the female

lead.

From then on, Xu Qingzhu quickly divorced her, struggled to support the family enterprise, and

eventually rose like a phoenix from the ashes.

Meanwhile, this cannon fodder original body was exposed as not being the true Alpha heiress of

the Liang family—the real Liang family heir was actually someone else. The original body already

had countless enemies, and in the end, she was reduced to begging on the streets,

had her legs

broken by Xu Qingzhu's admirers, and even had her glands dug out and fed to dogs.

Liang Shi:

For a moment, she didn't know who to feel sorry for first.

Having just transmigrated, Liang Shi was completely bewildered. The room was filled with intense

Omega pheromones⁶, and the rich strawberry Baileys⁷ scent nearly made Liang Shi lose control.

Xu Qingzhu's heat period⁸ had arrived?

Before she could approach, Xu Qingzhu's voice was hoarse as she looked at her with hatred and

unwillingness: "Don't come over!"

Thinking of the original body's fate, Liang Shi forced herself to stay calm: "Let me tell you a secret

—actually, I'm unable to mark with my pheromones. I can't do it."

Xu Qingzhu: ".....?"

Liang Shi's goal was very clear: divorce Xu Qingzhu, voluntarily distance herself from the Liang

family, pick up her old profession, and earnestly act and make money to become the entertainment industry's undisputed top star.

Wasn't making money wonderful?

However, not long after, her agent told her to meet an investor "daddy⁹."

In the CEO's office, Liang Shi steeled herself and asked: "Has President Xu considered divorcing me?"

Xu Qingzhu: "I'm pregnant. It's yours."

Liang Shi: ".....?"

Looking at Xu Qingzhu's slightly protruding belly, Liang Shi fell into deep thought.

Just how many dramas would she need to film to support a CEO and a baby?

Search Keywords: Protagonists: Liang Shi, Xu Qingzhu | Supporting Characters: Zhao Xuning, Shen Hui | Other: Scumbag Alpha's Redemption Record
One-sentence Summary: A scumbag Alpha's redemption and child-rearing diary
Theme: Reject harmful behaviors in relationships.

Footnotes:

¹ Yuri: A genre of Japanese media focusing on romantic relationships between women; in Chinese

web novels, refers to GL (Girls' Love) stories

² ABO: Alpha-Beta-Omega dynamics, a fictional social hierarchy where people are classified as

Alphas (dominant), Betas (neutral), or Omegas (submissive), often featuring pheromones and mating bonds

³ Cannon fodder: A minor character destined to fail or die, typically used to advance the main characters' story

⁴ Mark: In ABO dynamics, a permanent bond created through biting during intimate moments, usually at the neck/scent glands

⁵ Glands: In ABO settings, special organs that produce pheromones and can be marked; typically located at the neck

⁶ Pheromones: Chemical signals that trigger biological responses in ABO dynamics, used for attraction and communication

⁷ Baileys: Refers to Baileys Irish Cream liqueur, indicating a sweet, creamy scent

⁸ Heat period: A biological cycle in ABO dynamics where Omegas experience intense sexual desire and fertility

⁹ Investor "daddy": Entertainment industry slang for wealthy investors who fund projects, often with implications of exchanging favors

¹⁰ 1V1: One-on-one romantic pairing, indicating monogamous relationship

¹¹ Private settings: Author's personal interpretation or modifications to standard ABO tropes

¹² Female A without organs: The female Alpha character doesn't have male reproductive organs (common clarification in GL ABO stories)

¹³ 80% anti-theft, 72h: Publishing platform protection mechanism - 80% of content is temporarily

scrambled for 72 hours to prevent unauthorized copying

¹⁴ Mpreg: Male pregnancy, though in this context refers to pregnancy in ABO dynamics regardless of traditional gender
