

After Transmigrating into an Eighteenth-tier Alpha, I Married a Movie Queen

Author: 難過要吃糖 (Need Sugar When Sad)

Synopsis:

Yin Lingzhu transmigrated into the body of an eighteenth-tier¹ scumbag Alpha. After rejecting her ambiguous romantic interest, she met someone she truly liked and unexpectedly signed a marriage agreement with that person.

In this marriage, she gave her heart completely without reservation, only to have it cruelly trampled before she could take it back.

Though she couldn't cook, she prepared a whole table of dishes for Yan Si², only to receive the response: "I won't be coming home tonight."

The clothes she washed were never worn by Yan Si even once. Even brief physical contact would send Yan Si rushing to the bathroom immediately.

She could have pretended not to care, until she heard Yan Si say with her own mouth that she found her disgusting.

On that stormy night with thunder and power outage, knowing that Yin Lingzhu was afraid of the dark, Yan Si still abandoned her and went out in the rain to take care of another person who was afraid of thunder.

Yin Lingzhu thought all night and personally signed the divorce agreement.

After the divorce, Yin Lingzhu's career skyrocketed thanks to her sunny Alpha appearance. The only thing that wasn't going smoothly was that Yan Si kept clinging to her side.

When Yin Lingzhu starred as the female lead in a TV drama, Yan Si was the investor.

When Yin Lingzhu participated in variety shows, Yan Si was a guest.

Even when she went abroad, Yan Si followed her.

Yin Lingzhu finally couldn't hold back and questioned what she wanted to do. Instead, Yan Si's eyes reddened, her voice trembling: "Can we get married again?"

"I'm disgusting," Yin Lingzhu laughed lightly, looking at Yan Si with eyes full of mockery. "Better not defile the high and mighty movie queen."

The movie queen, who had shown gentleness her whole life, cried that night until her image was completely ruined.

When married: Yin Lingzhu: Wife, give me a hug. Yan Si: Go away.

After divorce: Yan Si: Wife, give me a hug. Yin Lingzhu: Get lost.

Sunny exterior with a strong heart, responsible and pure Alpha × Gentle on the surface but actually cold-blooded, calculating movie queen Omega

Footnotes:

¹ **Eighteenth-tier:** In Chinese entertainment industry terminology, this refers to the lowest ranking of celebrities - essentially unknown or very minor actors/actresses with little fame or success.

² **Yan Si:** The name of the movie queen character. In Chinese, "宴思" can be romanized as "Yan Si."

³ **Crematorium:** Internet slang referring to a plot trope where a character who previously rejected or mistreated someone later regrets it and suffers while trying to win them back - essentially "burning" from regret.

⁴ **Without accessories:** Likely refers to the Alpha not having additional romantic interests or complications.

⁵ **HE:** "Happy Ending" - common abbreviation used in Chinese web novel descriptions.

⁶ **Both pure:** Refers to both main characters being sexually/romantically inexperienced or faithful (common tag in Chinese romance novels).

⁷ **Broken Mirror Reunited:** A Chinese idiom (破鏡重圓) meaning a separated couple getting back together, like a broken mirror being made whole again.
