

Chapter 42-1

The "ding" sound of the elevator attracted the attention of both people.

Yin Lingzhu's room was geographically the closest to the elevator.

The two people at the door could clearly hear the elevator opening.

Si Xin seemed to have known early on that someone was coming. She immediately turned her head to look at the person coming from the elevator.

Coming out of the elevator was a man who appeared to be about 1.8 meters tall, wearing tight-fitting clothes.

The muscles on his chest were obviously bulging, stretching his clothes taut, looking quite intimidating.

As soon as he saw Si Xin, he immediately strode over to Si Xin's side.

Seeing him arrive, Si Xin's confidence immediately increased.

She looked at Yin Lingzhu smugly, completely different from her previous fawning appearance.

"My brother is here now. Let me tell you, you'd better be smart about this."

"Transfer five million to this card right now."

Si Xin opened her phone, wanting to send Yin Lingzhu the card number, but the moment she clicked send, she discovered she had been blocked.

She immediately looked up at Yin Lingzhu in fury.

"You actually dared to block me." Si Xin gritted her teeth, these words seeming to squeeze out from between her teeth.

"Yes, is there a problem?" Yin Lingzhu looked at her nonchalantly.

Si Xin came to find her like she had lost her intelligence. Did she think everyone else was as stupid as her?

The surveillance camera was still flashing its red light. Si Xin was doing something similar to robbery without even avoiding people.

Yin Lingzhu looked down at her phone. It was already past two o'clock. If she delayed any longer, she would probably be late for the film crew.

Thinking of this, Yin Lingzhu temporarily didn't want to deal with Si Xin.

"How Si Xin treated you has nothing to do with me. For this five million, go ask Si Xin for it." Yin Lingzhu put her phone back in her pocket.

Just as she was about to leave, the man blocked her path.

She frowned, held her breath, and stepped back several paces.

Seeing her step back, Si Xin thought Yin Lingzhu was scared.

With an arrogant expression, she slowly walked to the man's side.

"Let me tell you, obediently transfer the money to me now, or you won't be able to leave this hotel today."

Yin Lingzhu was about four or five meters away from the man before she dared to breathe.

She had just smelled something like rotting fruit, emitting a sour stench.

This smell was not only a challenge to her sense of taste, but also mental torture.

When she came back to her senses a little, she heard Si Xin's words.

She immediately wondered if Si Xin was really mentally normal.

"Did you forget that I can call the police at any time?" Yin Lingzhu looked at her with amusement while taking out her phone from her pocket.

Making a gesture as if to call the police.

Si Xin had just been angered by her expression and was about to lose her temper, but seeing Yin Lingzhu's action, she became somewhat panicked.

She immediately gave the man a look. "Go grab her phone."

Having received the order, the man walked toward Yin Lingzhu step by step.

Seeing the man getting closer and closer to her, the smell from before seemed to resurface at Yin Lingzhu's nose.

She couldn't help but step backward.

She should have brought a mask when going out today.

Yin Lingzhu glanced at Si Xin and spoke to her, "If you stop now, I'll pretend nothing happened."

After saying this, Yin Lingzhu clearly saw two words appear on Si Xin's face.

【Disdain】

"You're in no position to negotiate with me now."

Seeing that reasoning wouldn't work, Yin Lingzhu took a deep breath.

She quickly rushed to the man's side and, without any mercy, kicked him hard in the stomach and knee.

In a flash, Si Xin only saw the man suddenly collapse to the ground.

"She just kicked you lightly, hurry up and get up. Where are your pheromones? Aren't you A-level?"

"Use your pheromones to suppress her!" Si Xin said anxiously, wishing she could take action herself.

Being told this by her, the man wanted to stand up, but the pain in his knee was like shattering, completely unable to support his body.

Fine sweat appeared on the man's forehead. After trying many times, he still couldn't stand up.

Yin Lingzhu looked coldly at the man's state. She had already warned him before.

Just as she was about to walk past the man, the rotting smell at her nose became even more intense.

Yin Lingzhu looked at the person kneeling on the ground in disbelief.

"This can't be your pheromone scent, can it?"

Her shock was mistaken by Si Xin as fear.

Si Xin laughed "heh heh" twice.

"He's an A-level Alpha." Si Xin walked to the man's side, trying to pull him up.

But her strength was too weak to support the man. Instead, due to the reaction force, she fell onto the ground with a thud.

Yin Lingzhu looked at her embarrassing state and laughed out loud without concealment.

"Let's see how you'll be able to laugh later." Si Xin immediately got up from the ground.

She patted the man's shoulder with her hand.

The rotting smell immediately spread throughout the entire corridor.

Yin Lingzhu, who was closest to him, felt her breathing stop. The impact she received was even greater.

She couldn't help but cover her nose with her hands, trying to block the smell.

But she quickly discovered that covering her nose with her hands was useless.

Her body automatically activated its defense mechanism.

Yin Lingzhu's glands automatically released her own pheromones.

In the air, the snow pear¹ scent crushed and covered the rotting smell.

Yin Lingzhu also noticed this situation and breathed deeply of the fresh air.

Si Xin was a Beta and couldn't perceive pheromones.

But she also keenly noticed that Yin Lingzhu no longer seemed as uncomfortable as before, and had put down the hands covering her face.

"What's going on? Aren't you a B-level Alpha?" Si Xin looked at Yin Lingzhu in disbelief, her voice somewhat distorted.

"Mind your own business." Yin Lingzhu didn't take Si Xin's shock seriously.

This woman was truly frighteningly stupid.

"Sister, she's either the same level as me, or she's one level higher than me."

The fine sweat on the man's forehead had turned into large beads of sweat, falling to the ground one by one.

He used his hands to support himself on the ground, preventing himself from lying flat.

Yin Lingzhu's pheromones felt to him like a mountain weighing thousands of pounds pressing on his spine.

Making him unable to resist bending over.

"You're actually an A-level Alpha." Si Xin said hatefully.

"Si Xin, if you don't want me to call the police, leave immediately and don't look for me again in the future."

Yin Lingzhu looked at her indifferently, cold light flashing in her eyes.

Si Xin looked at her unwillingly, but still helped the man walk to the elevator.

"Ding" - the elevator door opened.
