

Chapter 45-1

Seeing Yin Lingzhu's expression, Yan Si knew she didn't believe her words.

Obvious anxiety appeared on Yan Si's face.

"Believe me, everything I said is true."

Yin Lingzhu and Yan Si were talking at the doorway, and people passing by continuously cast glances at them.

She looked up and met a pair of curious eyes.

Yin Lingzhu was facing the passersby while Yan Si still had her back to them.

These melon-eating¹ gazes immediately reminded Yin Lingzhu of the dinner incident.

Yin Lingzhu figured the passersby probably hadn't recognized Yan Si, otherwise they wouldn't be so calm.

Driving Yan Si away now seemed like it would attract even more attention.

After hesitating several times in her heart, she still stepped aside, leaving space for people to walk through.

"Come in and talk."

After hearing these words, Yan Si's eyes revealed a bright gleam.

She quickly walked into the room, afraid that if she was slow, Yin Lingzhu would change her mind.

Yin Lingzhu sat on the sofa, raising her eyebrows as she looked at Yan Si.

Unlike Yin Lingzhu's relaxed posture, Yan Si sat very formally.

Her hands were properly placed on her knees, looking somewhat at a loss.

Yan Si's mouth opened for a long time, not knowing how to speak.

But seeing Yin Lingzhu's increasingly impatient expression, she mentally prepared herself and slowly began to speak.

Yan Si's voice was as small as a mosquito's buzzing.

"I had someone #¥¥#%#%#%.....&*.....%"

If it weren't for Yin Lingzhu's good hearing, she wouldn't have been able to hear even the three words "I had someone."

But even so, she couldn't make out what Yan Si said afterward.

Yin Lingzhu's beautiful eyebrows furrowed. "What did you say?"

Yan Si repeated the sentence again.

As faint as mosquito buzzing.

"Speak louder." Yin Lingzhu couldn't help but say.

Based on Yan Si's behavior just now, she had some idea.

Being this guilty, who knows what she had done.

Seeing the impatience on Yin Lingzhu's face becoming more obvious.

Yan Si clenched her hands into fists, using this method to gather courage.

"I had someone investigate the source of your suppressants."

After speaking, Yan Si secretly glanced at Yin Lingzhu's face. Seeing that Yin Lingzhu's expression hadn't changed, she dared to continue.

"I just learned that Ming Qingyun gave you suppressants, and two bottles contained her pheromones."

Yin Lingzhu was waiting for Yan Si's next words, but after a while, Yan Si remained silent.

She looked at Yan Si, who was also looking at her, waiting for her to speak.

Seeing this, Yin Lingzhu asked her: "That's it?"

Yan Si honestly shook her head. "That's all."

Just this?

Yan Si's guilty behavior just now made her think Yan Si had done something unforgivable.

Yin Lingzhu felt somewhat helpless.

"If it's really as you say, why didn't Qingyun tamper with all three suppressant bottles?"

Yin Lingzhu asked casually.

Yan Si was instantly speechless. She had thought about this question too, but she also didn't know why.

"Besides, Qingyun has no reason to do such a thing." Yin Lingzhu added another sentence.

After all, Ming Qingyun was her university classmate, and in university, her behavior was notoriously bad.

Almost everyone knew she was a player.

Ming Qingyun definitely knew this too.

Not to mention now - Ming Qingyun's company was developing so well, how could Ming Qingyun possibly be interested in her?

Seeing Yin Lingzhu's attitude, Yan Si began to panic.

"What I said is true. I swear, I'm not lying to you." Yan Si's tone was urgent, her face showing anxiety because Yin Lingzhu didn't believe her.

"Yan Si, it's getting dark. Go back."

Yin Lingzhu shook her head. Although her voice wasn't cold at this moment, it revealed some ruthlessness.

She spoke caring words, but her actions to send someone away were swift.

Yan Si didn't want to leave. She hadn't achieved her goal - how could she be willing to go?

But she couldn't say "I don't want to leave," so she could only slowly shuffle toward the door.

Yin Lingzhu didn't rush her, just watched her move toward the door.

Just as she was about to reach the door, suddenly a message from her assistant arrived.

After reading it, Yan Si obviously became happy.

"See, what I said was true." Yan Si raised her phone, letting Yin Lingzhu see clearly.

It was a video, obviously secretly filmed and very blurry.

Combined with the voices, one could roughly make out the video's content.

"CEO Ming, this kind of behavior is very dangerous." A male voice spoke.

"Money, don't worry, enough." This voice was familiar to Yin Lingzhu - it belonged to Ming Qingyun.

The bottles in the footage were also familiar to Yin Lingzhu.

They were the suppressants currently lying in her bedroom.

"Now you believe what I said, right?" Yan Si's voice carried careful caution.

But Yin Lingzhu couldn't listen to her words now.

She felt everything in front of her spinning like the world was turning upside down, making her head dizzy.

Yan Si noticed Yin Lingzhu's condition wasn't right. Her hand reached out several times but pulled back.

"Be careful of Ming Qingyun. She's not a good person."

As Yin Lingzhu's mind cleared slightly, she heard this sentence.

"I understand. If you don't have anything else, please leave first."

Yan Si lowered her head. "Don't be too sad either."

Yin Lingzhu was a bit confused - why should she be sad?

Her relationship with Ming Qingyun wasn't that close, and with her initial intuition, she had always been wary of Ming Qingyun.

But before she could voice her confusion, she felt a pain in her head and lost consciousness.

Yan Si, who had been carefully observing Yin Lingzhu, immediately reached out to catch her.

Looking at Yin Lingzhu in her arms, Yan Si's heart was full of bitterness.

In her view, Yin Lingzhu had fainted because she couldn't accept the news all at once.

Yan Si's free hand slowly clenched.

Ming Qingyun wasn't worthy of Lingzhu's trust at all.

Yan Si thought darkly.

Yan Si placed Yin Lingzhu on the bed and immediately saw the two neatly arranged suppressants.

She took the suppressants in her hands and brought them close to her nose.

Yan Si could keenly detect another Omega's pheromones on them.

This made her very displeased.

And she could also sense that these pheromones were very well concealed.

If she hadn't known in advance, there was a high chance she would have been deceived too.

Footnotes:

¹ Melon-eating: In Chinese internet slang, "eating melons" (吃瓜) refers to watching drama or gossip unfold, like a spectator enjoying entertainment.
