

Chapter 66-2

Wan Miaoyin noticed Yin Lingzhu's absent-mindedness. She casually ate a few bites of food and then said she was full.

Yin Lingzhu was somewhat surprised. She had finished eating long ago, but seeing that Wan Miaoyin was still eating, she hadn't left.

In her memory, Wan Miaoyin's appetite shouldn't have been this small.

Perhaps the confusion on her face was too obvious, as Wan Miaoyin suddenly laughed.

"I need to maintain my figure now, so I eat less. Don't be so surprised."

Being told this, Yin Lingzhu only now noticed that Wan Miaoyin had indeed become much thinner than when they first started.

"No wonder, you really are much thinner than before."

Yin Lingzhu's serious expression made Wan Miaoyin laugh again.

"Alright, let's go. I have a gift to give you."

Wan Miaoyin smiled as she got up from her seat, smoothly picking up Yin Lingzhu's dishes as well.

Her movement was too quick—Yin Lingzhu couldn't even stop her.

"You helped me yesterday, so I'm helping you today. It's perfectly fair."

Wan Miaoyin said to her with a smile.

Hearing her words, Yin Lingzhu had nothing to refute, so she stood up and walked toward the kitchen.

But noticing that Wan Miaoyin wasn't moving, she turned back to look and found Wan Miaoyin still standing in the same spot.

And Wan Miaoyin's face showed obvious confusion.

She seemed not to understand what Yin Lingzhu meant.

Seeing this, Yin Lingzhu waved at her, "Come on, let's go together."

Wan Miaoyin instantly understood her meaning and quickly followed.

The sight of the two walking side by side looked very harmonious.

【I'm not trying to be mean, but that A and O who've been clingy since they arrived aren't sweet at all. Look at this—now this is what I call a good match.】

【Right, I think so too. Those two people give off a weird feeling.】

【They're giving you the official pairing, and you don't watch it, but you come here to find validation.】

【Hey you, I've been tolerating you for a while now. Whose fan are you exactly?】

【I'm not anyone's fan.】

【If you want to watch other people, go to other livestream rooms. This is Zhuzhu's livestream room.】

【No, I'm staying right here.】

None of the eight people who had come here knew about any of this happening.

Yin Lingzhu was currently lying in her assigned room. Since the production team had taken away their phones, she casually picked up a book to read.

Yin Lingzhu's eyes were downcast, her long eyelashes blocking the emotions in her eyes, casting a large shadow over her under-eye area.

She wasn't wearing makeup. Her natural lip color was slightly red, but after being startled, it had lost its color.

From the original deep red, it had become cherry pink, looking like jelly and making people want to take a bite.

【Why are you taking screenshots? Just staring there?】

【I have to say, the production team's eye for choosing people is still so good】

【Hahaha, this is the beauty that my premium membership should be enjoying.】

【Haven't seen an Alpha in eight hundred years, have you?】

【Hey you above, haven't you left yet?】

While they were sending bullet comments, Yin Lingzhu finished reading a page.

Her fingertip gently lifted a page and slowly turned it over. Her slender fingers pressed on the paper, making it hard to tell whether the paper was whiter or her hands were whiter.

【Hand fetish paradise, charge!!!!】

【I'm calling my sisters to watch this, hahaha】

【Watch early, enjoy early. How wise I was to start recording in advance.】

Their bullet comments appeared particularly jarring to one person.

Yan Si's chest rose and fell uncontrollably. Watching the increasingly inappropriate bullet comment language, she heavily slammed the table, making a "bang" sound.

You Xiaoxiao was beside her, concentrating her mental energy, and was startled by this, her whole body jumping.

"What they're saying is too much."

Yan Si said angrily, her finger immediately moving to click on the screen, wanting to close the bullet comments.

You Xiaoxiao stopped her hand, "Don't! Having bullet comments makes it more interesting."

Yan Si glanced at You Xiaoxiao, "What do you mean, interesting?"

You Xiaoxiao suddenly realized she had said the wrong thing.

She smiled awkwardly, "I mean, with these bullet comments, we can quickly understand potential rivals."

Seeing that Yan Si still hadn't reacted, she added, "What if Ming Qingyun also sent bullet comments?"

Only then did Yan Si stop wanting to close the bullet comments, but she was still angry.

"Lingzhu is mine."

You Xiaoxiao could only comfort her now, "Yes, yes, yes, yours, yours. No one is competing with you."

Yan Si looked through the screen at the person she had been longing for day and night.

She hesitated for a long time, then took out her phone.

You Xiaoxiao had been watching her movements all along. Seeing her like this, You Xiaoxiao's brow twitched.

"What are you going to do?"

¹ **Zhuzhu (竹子)**: A cute nickname for Yin Lingzhu, where "竹" (bamboo) from her name is doubled to create an affectionate diminutive.
