

Chapter 72-1

You Xiaoxiao never expected that this matter would turn out like this.

She stared at Yan Si.

"What you said, is it really true?" You Xiaoxiao asked unwillingly.

Although it was a question, she knew Yan Si's personality - she wouldn't lie.

"Then why did you say those words back then? Why did you let Yin Lingzhu misunderstand?"

Why did you let me misunderstand?

You Xiaoxiao looked at Yan Si, her lips opening and closing.

"Add the remaining year to me as well."

Yan Si didn't answer You Xiaoxiao's question. This was her despicable behavior, this was her selfish nature.

You Xiaoxiao didn't try to persuade her anymore. She quickly walked to the control panel of the equipment.

She pressed the 'continue' button.

Why would you be so willful? A casual joke easily destroyed her medical status in her heart.

You Xiaoxiao looked at Yan Si's pained expression, and suddenly felt much more satisfied inside.

Yan Si's bones felt as if they were being cut by knives, the dense pain making it impossible for her to think.

In her consciousness, time now seemed endless, so long that she couldn't think about anything.

Not knowing how much time had passed, Yan Si's clothes had been soaked through with sweat again and again.

This long process of extracting pheromones finally came to an end.

The pain in Yan Si's body was slowly disappearing.

She opened her eyes and turned her head to look at You Xiaoxiao.

Yan Si rarely read hatred in You Xiaoxiao's eyes.

Cold sweat was still beading on her forehead, but her aura wasn't weak at all.

She laughed lightly, not taking You Xiaoxiao's hatred to heart.

"What's wrong? Very angry?"

You Xiaoxiao looked at her nonchalant manner, and the anger in her heart grew deeper.

"I've followed by your side for so many years. Do you consider me just a follower, or a friend?"

You Xiaoxiao looked at her and angrily questioned.

Yan Si had no thoughts in her heart.

She looked at You Xiaoxiao and answered her question indifferently.

"A relatively useful follower."

You Xiaoxiao heard this expected answer, but still felt the sensation of heartache.

"My dream since childhood was to be a doctor."

You Xiaoxiao's eyes were slightly red. "But I didn't dare express this dream. Do you know why?"

Yan Si looked away. Facing You Xiaoxiao like this, she suddenly felt a bit flustered.

"You should go back and rest first, calm your emotions."

Yan Si subconsciously felt that if she let You Xiaoxiao continue speaking, something bad would happen.

But You Xiaoxiao was unwilling to listen to Yan Si anymore.

She knew her emotions weren't right now, but she didn't want to endure it anymore.

She had stayed by Yan Si's side for so long, she was tired of enduring and bearing it.

"It's all because of you. You've had gland problems since childhood, so you're particularly sensitive about this and hate doctors."

"From the moment I started being by your side, your hobbies became my hobbies. I did everything to please you."

You Xiaoxiao poured out all the words buried in her heart, venting the grievances of all these years.

"I thought we were at least friends now."

She glanced at Yan Si. "Someone like you deserves to be alone for the rest of your life."

After saying this, You Xiaoxiao left without looking back.

Yan Si watched You Xiaoxiao's retreating figure and suddenly felt helpless again.

But her pride was at work - she couldn't bring herself to apologize.

She turned her gaze back to the ceiling, the lights still as glaring as before.

Let it be like this. It's good that everyone's gone.

Yan Si thought to herself, slowly getting down from the equipment.

Too much pheromone had been extracted, and she had no strength in her legs. Every step she took relied entirely on her willpower.

Yan Si walked slowly like this to You Xiaoxiao's office.

She pushed open the door and found You Xiaoxiao wasn't inside.

Her eyes dimmed for a moment, and she took out an envelope from her pocket.

You Xiaoxiao's birthday was tomorrow. She had prepared a gift and a handwritten letter.

But now it seemed this gift was completely unnecessary.

Yan Si put the letter back in her pocket.

After she left, You Xiaoxiao emerged from the office.

You Xiaoxiao's face was full of conflict. Based on her years of experience by Yan Si's side, the words she had just said would definitely have angered Yan Si.

Her family had only achieved their current status by relying on Yan Si.

You Xiaoxiao's thoughts spun rapidly in her mind.

Her eyes became more and more determined.

She took out her phone and dialed a number.

Yan Si was eager to treat the pheromone problem on her body, so she instructed the driver to go to Yin Lingzhu's place.

She caressed the envelope, her eyes showing complex emotions.

Yin Lingzhu was currently eating breakfast when she felt something and looked toward the door.

Wan Miaoyin who was beside her and constantly paying attention to her movements, also looked toward the door.

"Is there any problem?"

Yin Lingzhu also felt her behavior was somewhat strange. She smiled at Wan Miaoyin. "Nothing's wrong. Let's eat. Filming is about to start soon."

After saying this, she continued to bury her head in her breakfast.

Wan Miaoyin looked at her deeply, then finally picked up her chopsticks as well.

Everyone gathered in a room.

"Please check today's task."

The director's voice rang out, and the TV hanging on the wall lit up, displaying a video.
