

Chapter 79-2

Yan Si was also watching the livestream.

Ever since Yin Lingzhu had made things clear yesterday, she didn't dare go to the production team's location anymore.

Now she could only watch the livestream to ease the restlessness in her heart.

When she saw Yin Lingzhu and Wan Miaoyin in the same frame, her heart felt stuffy and uncomfortable.

She thought the development department should research a function that could block people you didn't want to see.

Yan Si's gaze became vacant as she thought about this.

Nian Nian sat beside her legs, and it also seemed to be watching the livestream intently.

Yan Si watched Yin Lingzhu's livestream while stroking Nian Nian's fluffy head.

When she saw Yin Lingzhu pretend to aim and shoot at the camera lens, she suddenly felt as if her heart had been shot.

Yan Si's pupils contracted, and it seemed like only Yin Lingzhu remained in the world.

When she pulled the trigger, Yan Si's blood flowed rapidly through her body.

Yan Si's heartbeat felt like it wanted to escape from her body and fly to Yin Lingzhu.

She was panting, and it took a long time before she came back to her senses.

Yan Si's hands and feet were weak. If she hadn't been sitting in a chair, she might have fallen to the ground.

She clearly realized that Yin Lingzhu's every move tugged at her heart.

Yan Si let out a mocking laugh that was particularly clear in the empty room.

What use was it for her to know this now? Everything was irreversible.

Just as Yin Lingzhu had said, what was the point of her apologies? Past hurts could not be erased.

Yesterday, Yin Lingzhu's words were like a bucket of cold water poured over Yan Si's excited head.

She knew that if she let go, it would be better.

But she didn't want to let go.

Even if she was mocked by Yin Lingzhu, even if staying by Yin Lingzhu's side would leave her battered and bruised.

Yan Si still didn't want to let go.

Perhaps this was fate.

Yan Si pushed away all the distracting thoughts in her mind and focused on watching.

When she saw Yin Lingzhu eliminate Qin Luo, pride rose in her heart.

She knew that Yin Lingzhu would definitely be the one to win in the end.

But next, when she heard the new announcement from the production team, she immediately realized something was wrong.

Even if the production team wanted to "revive" Qin Luo and Li Li, she wouldn't have objected.

But to also give certain compensation was unreasonable.

When Yan Si saw this, she had already found the director's phone number.

She gripped her phone, still struggling inside, not knowing whether she should make this call or not.

Yan Si's eyes were full of conflict, and her fingers turned white from exertion.

Yesterday, Yin Lingzhu had already told her that she didn't want to have any connection with her anymore.

But there was no way around it - she couldn't control herself.

Her mind couldn't stop. Once idle, she couldn't help but think about Yin Lingzhu.

Think about everything related to Yin Lingzhu.

Yan Si tremblingly placed her phone on the table, trying her best to control herself.

She wanted to listen to Yin Lingzhu's words; she wanted to make Yin Lingzhu happy.

But when her gaze moved to the screen, her body seemed to move beyond her control.

By the time she realized it, her hand had automatically called the director.

Hearing the director's fawning voice on the other end of the phone.

Yan Si could already imagine the greasy smile on the director's face, and she suppressed the disgust in her heart.

"Qin Luo and Li Li have already been eliminated. There's no need for any revival nonsense."

Her words left the director momentarily unsure how to respond.

Yan Si keenly noticed the director's pause. "What, do you have an objection?"

The director quickly shook his head. "How could I? I'll take care of it right away."

After Yan Si hung up, the director immediately saw the assistant director who had been eavesdropping on his call.

He kicked the assistant director's leg.

It was because the assistant director kept insisting on reviving Qin Luo that he had made that broadcast announcement.

Thinking of Yan Si's cold voice on the phone, the director's anger deepened.

"Now, immediately go announce that it was our production team's mistake, and Qin Luo's 'revival' is canceled."

The assistant director thought of the benefits Qin Luo had given him and instinctively wanted to object.

But when he saw the director's expression, he immediately lost all such thoughts.

"Okay, okay, I'll go right away."

Qin Luo walked arrogantly down the path carrying a water gun half the size of his body.

The badge was worn on Li Li's body.

Li Li clenched his fists, unable to hide the malice in his eyes.

He had begged Qin Luo so much, yet Qin Luo still treated him this way.

When he noticed Qin Luo was about to turn around, he quickly put on an indulgent smile.

"Baby, feel free to walk ahead. Don't worry about me."

Li Li said considerately.

Qin Luo just gave him a cold look and then withdrew his gaze.

Yin Lingzhu and they happened to be on the same floor, and the two sides collided at a corner.

Yin Lingzhu reacted quickly. When she saw the water gun in Qin Luo's hand, she immediately pulled Wan Miaoyin behind her.

She watched warily as Qin Luo raised his water gun.

But she discovered that Qin Luo's target wasn't Wan Miaoyin, but her.

Qin Luo's water gun was very large, and its water output was not to be underestimated.

Yin Lingzhu saw a stream of water flying toward her. Considering Wan Miaoyin behind her, she couldn't dodge and could only block it with her body.

Seeing Yin Lingzhu's appearance, Qin Luo became even more unrestrained.

He completely ignored Li Li behind him and increased the water gun's output.

The water streams were like tiny needles piercing Yin Lingzhu's body.

Just as she was about to see how much water was left in Qin Luo's water gun, her face was also hit with water.

Yin Lingzhu couldn't open her eyes, so she could only pull Wan Miaoyin and slowly retreat.

"Yin Lingzhu, weren't you quite capable? How are you so pathetic now?"

Qin Luo looked at the thoroughly soaked Yin Lingzhu and mocked her.

Yan Si was also watching this scene in front of the screen, her eyes reflecting Yin Lingzhu's completely drenched appearance.

"Bang!"

Yan Si's hand slammed hard on the table.

Footnotes:

This chapter shows Yan Si's internal struggle between wanting to respect Yin Lingzhu's wishes to stay away and her inability to stop caring about her. The scene ends with a cliffhanger as Qin Luo attacks Yin Lingzhu with the oversized water gun, leaving Yan Si clearly distressed watching from afar.
