

## Chapter 88-2

After hearing this, Yin Lingzhu didn't refuse.

Her throat was indeed a bit dry.

Seeing that Yin Lingzhu didn't object, Wan Miaoyin immediately got up and went to the store to buy water.

While Yin Lingzhu was drinking water and resting, Wan Miaoyin watched her from the side.

After she had recovered, Wan Miaoyin pulled Yin Lingzhu along again, saying they should go play a new game.

Yin Lingzhu silently prayed in her heart that it wouldn't be another thrilling ride.

She couldn't handle much more.

Wan Miaoyin seemed to have heard her inner thoughts.

After stopping, Yin Lingzhu looked at the carousel in front of them and relaxed her tense mood.

This ride was indeed not thrilling.

But a carousel seemed a bit inappropriate somehow.

Yin Lingzhu thought about it and fell into slight contemplation.

But Wan Miaoyin pulled her along and got in line.

After Yin Lingzhu steadied herself, she glanced at the cameramen behind them.

Seeing they were several meters away, she quietly leaned close to Wan Miaoyin's ear.

"Are you sure you want to ride this with me?"

Wan Miaoyin felt the warm breath by her ear, and a tickling sensation spread from behind her ear to her lower back.

She couldn't help but scrunch her neck. "Just consider it helping me out."

Yin Lingzhu couldn't say much more about it.

The line moved quickly, and Yin Lingzhu soon got on.

Her position was right next to Wan Miaoyin's.

The wooden horses gently rotated, going up and down in alternating motion.

This scene was also captured by the cameras and faithfully transmitted to every user's screen.

【Woo woo woo, I love these pink bubbles so much.】

【There's definitely something between them, I don't believe there isn't.】

【I knew it, the CP<sup>1</sup> I'm shipping is absolutely real.】

【Doesn't Wan Miaoyin like Wang Qingran? Why would she choose Yin Lingzhu?】

【People change, don't they?】

Yan Si was also watching the people on the screen. She reached out her hand, as if wanting to touch Yin Lingzhu.

But all her fingertips felt was the cold screen.

She looked at Yin Lingzhu's pale complexion and couldn't stop feeling heartache.

But then seeing them on the carousel together with such an intimate atmosphere, her heart felt very sad again.

She seemed to be torturing herself as she watched the two people on the screen.

Yan Si's heart felt like it was being tightly squeezed by a hand.

The pain in her heart seemed to make it hard for her to breathe.

Yan Si's eyes reddened and her breathing became rapid.

But even so, she was unwilling to look away.

The carousel experience was very good for Yin Lingzhu.

Even after one round ended, she was still reluctant to leave.

Due to Yin Lingzhu's strong request, Wan Miaoyin accompanied her for three or four more rounds.

By noon, they had only played two attractions: the roller coaster and the carousel.

Because she had to consider Yin Lingzhu, Wan Miaoyin abandoned all the thrilling rides she had originally wanted to try.

In the afternoon, they only played some gentle games.

In the evening, the sunset slowly disappeared and night fell.

Wan Miaoyin pulled Yin Lingzhu to the last attraction of the day.

Inside the Ferris wheel.

Yin Lingzhu and Wan Miaoyin sat side by side, slowly ascending to the highest point.

Because the cabin space was small, the cameramen didn't follow them up but filmed from the cabin behind theirs.

During the ascent, Yin Lingzhu marveled at the beauty of the city.

At the highest point, Wan Miaoyin looked at Yin Lingzhu and took a deep breath.

"I like you."
