

Chapter 93-1

Moonlight poured down, and the world seemed to be enveloped in a thin layer of coolness.

Yin Lingzhu looked at the person in front of her, arms crossed, raising an eyebrow as she looked at Yan Si.

Under such scrutiny, Yan Si couldn't even maintain the smile on her face.

In front of anyone, she always presented a gentle appearance.

Only a few people knew her true cold nature.

Looking at the expression on Yin Lingzhu's face, Yan Si's originally composed expression suddenly became flustered.

"I, I, I just..."

Yan Si's gaze wandered, her mind went completely blank, her mouth just kept repeating those few words.

The corner of Yin Lingzhu's mouth lifted slightly as she looked at Yan Si, "You what?"

Yan Si's brain couldn't function at all at this moment.

Her eyes were full of helplessness, but at this moment, no one came to help her.

Let alone Yin Lingzhu.

At this moment, Yan Si felt extremely uncomfortable inside.

She didn't know what she should do.

Yin Lingzhu was getting impatient too, "Why are you following me?"

Yan Si didn't know how to explain either. She had been unconsciously following Yin Lingzhu.

So she didn't have a reasonable explanation.

But Yin Lingzhu didn't want to care anymore. She left behind a sentence, "Stop following me."

Yan Si usually listened to Yin Lingzhu's words, but today, for some reason, she just couldn't help wanting to be with Yin Lingzhu.

Yin Lingzhu noticed the tail behind her and endured it again and again, until finally she couldn't stand it anymore.

She suddenly turned around, looking at Yan Si who was pretending to be a passerby.

"What exactly do you want to do?"

Yan Si didn't dare look into her eyes. She lowered her head like a elementary school student who had done something wrong, not daring to make a sound.

Yin Lingzhu looked at the person in front of her and let out a long breath.

Yan Si looked as if she had suffered some great injustice.

Yin Lingzhu didn't understand what this person had to feel wronged about.

"Can we get married again?"

Yan Si suddenly blurted out this sentence, making Yin Lingzhu freeze completely.

After realizing what Yan Si had said, Yin Lingzhu suddenly bent over laughing.

Yin Lingzhu seemed to genuinely find this sentence ridiculous, tears even forming at the corners of her eyes.

After a while, she straightened up.

"I'm disgusting. Better not defile the movie queen¹."

Yin Lingzhu's words made Yan Si feel as if she had fallen into an abyss.

Almost as soon as Yin Lingzhu said this, Yan Si immediately realized that this was something she had once said.

Her face instantly turned deathly pale.

She wanted to explain, but didn't know what to say.

Yan Si's heart was in complete turmoil. She didn't know what she should do.

She had indeed said those words, but that wasn't what she meant.

"Back then, I... I'm sorry."

Yan Si wanted to say something, but she also knew that nothing she said could change anything.

Yin Lingzhu looked at her coldly and snorted.

"Fine, as long as you die, we can go back to how things were before."

When Yan Si heard the first word, there was joy in her eyes, but when she heard the rest, her heart grew cold again.

"Lingzhu, can't we have a different condition?"

Under her slightly hopeful gaze, Yin Lingzhu decisively shook her head.

She slowly approached Yan Si, her black pupils reflecting light.

"Back then, I almost lost my life for you. So what, when it's your turn you can't do it?"

Yin Lingzhu's eyes held mockery, her tone full of derision.

Yan Si kept shaking her head, "That's not what I mean."

"I'm just afraid that if I die, I won't be able to be with you anymore."

Listening to her words, Yin Lingzhu had originally thought she was looking for some excuse, but then she met Yan Si's serious gaze.

Only then did she realize that Yan Si was actually seriously considering this.

Looking at Yan Si in front of her, a trace of inexplicable emotion flashed through her eyes.

For some reason, seeing Yan Si like this, Yin Lingzhu's heart suddenly became chaotic.

Looking at Yan Si, she felt out of nowhere that Yan Si might really die for her.

Yin Lingzhu took a step back, creating distance between herself and Yan Si.

"Forget it, this is really sick."

Yin Lingzhu said quietly, not knowing who she was talking about.

Finally, she glared at Yan Si.

"Don't follow me."

Footnotes:

1. Movie queen: This is a reference to Yan Si's status as a top actress in the entertainment industry, also known as "影后" (yǐnghòu) in Chinese, which literally means "movie queen" or "film empress," a title given to the most acclaimed female actors.
