

Synopsis - English Translation

[Original Title: "Reborn and Married to Mother's White Moonlight"]

Ning Fuyi was a legendary great demon lord who, according to rumors, committed countless evil deeds for hundreds of years before finally meeting a tragic death under the sword of Divine Venerable Chu Qingqiu¹. Thus, all six realms² celebrated universally.

It was said that this Chu Qingqiu was the white moonlight³ of Ning Fuyi's mother, the Sect Master of Ningtian⁴. Presumably, she couldn't bear to watch Ning Fuyi's evil deeds any longer, which was why she intervened to stop her.

Who would have known that the very next day, Chu Qingqiu jumped off a cliff, causing an uproar among all living beings.

Ning Fuyi was reborn. When she opened her eyes, it was a thousand years ago - her mother had just passed away, and she was still a waste with mediocre talent, subjected to humiliation and oppression by everyone.

Looking down, the cold beauty with wet hair clinging to her, barely breathing in the bathtub, was none other than Chu Qingqiu.

Ning Fuyi planned her revenge. Grabbing the beauty by the collar and about to strike, she saw that Chu Qingqiu neither resisted nor fought back, her eyes red-rimmed, staring at her in a daze.

"You and I have just formed a marriage contract⁵. Killing one's wife violates the immortal codes."

Ning Fuyi: "??!!!"

In her previous life, Ning Fuyi was bullied by the sect as a waste, watching helplessly as her loved ones died tragically. Only then was she forced onto the demonic path⁶. Therefore, in this life, she still intended to cultivate demonic arts.

Who knew that when she summoned a demonic sword, she drew out a peerless divine sword instead; when she sought demonic beasts, she released nine-heavenly divine beasts⁷; when she formed arrays to control lonely souls and wild ghosts, out came a group of sweet little flower fairies.

Ning Fuyi was dumbfounded. Trying to find someone for dual cultivation⁸ to achieve demonification, she saw that cold Divine Venerable Chu Qingqiu, who only cared about all living beings, approaching barefoot through ice and snow.

Sitting on her bed, eyes slightly red: "Whatever you want, I'll give it all to you."

Chu Qingqiu could never forget the day she was imprisoned by the Heavenly Dao⁹. That little demon lord who accidentally broke in split open the chaos with one sword and embraced her.

The old immortal who had no heart or love finally fell to the mortal world.

I'm sorry I didn't fall in love with you sooner.
