

Chapter 76_2 - Wishes

After Ning Fuyi and Chu Qingqiu descended from the Dragon War Ship, they happened to encounter Jiuying, Jiang Li, and Qiuyi who had been looking for them. From Jiuying, they learned that the heads of the four great families had all arrived at Cloud Ascension Mountain Gate, so Liu Wenzhu had been urgently summoned back by Elder Pingyao, and Rong Jin had also left with her first.

"It's getting late - we should return to the sect." Chu Qingqiu stepped down the stairs, brushing past the others.

Her shoulder bumped against Jiuying as she passed. Jiuying curled her hair around her finger and leaned slightly to the side, sizing up Chu Qingqiu before turning back to pat Ning Fuyi's shoulder: "Girl, didn't you get separated on the bridge? How did you end up with the Divine Venerable?"

"You even lured her up to the heavens. Who would have thought that someone who seems so unromantic would have such thoughts." Jiuying tilted her body, bumping Ning Fuyi's shoulder.

Ning Fuyi gave her a fake smile that didn't reach her eyes: "Stop talking nonsense. We just bumped into each other. How did you all meet up?"

"We also just bumped into each other." Jiang Li's eyes sparkled. Her gaze swept over Qiuyi's poor complexion and Jiuying's nonchalant attitude before settling on Ning Fuyi.

"Before we return to Cloud Ascension Mountain Gate, young sect master, I have some things to discuss with you." Jiang Li reached out to pull Ning Fuyi aside, leading her into a deserted alley.

Once they were alone, Jiang Li released her hand and said to Ning Fuyi: "Has the Divine Venerable revealed anything about the cure for your soul injury?"

Ning Fuyi's heart stirred as she said seriously: "No."

Jiang Li smiled and suddenly beckoned. When Ning Fuyi leaned closer, she covered her lips with her hand and whispered in her ear.

Ning Fuyi's eyes immediately widened. She had to hear it twice before believing her ears.

"Dual cultivation?" She suppressed her shock, saying quietly: "Is there no other method?"

"There isn't." Jiang Li shook her head. "Young sect master, don't be afraid. This dual cultivation is just the merging of divine consciousness - it's not asking you to consummate a marriage. As long as it's someone you trust enough and doesn't violate propriety, they can help."

"Moreover, dual cultivation techniques are recognized among righteous sects. Isn't the Blissful Union Sect¹ based on this practice?" Jiang Li patted her shoulder. "Although the Celestial Pivot Sword Sect and Void Brightness Sect have forbidden it, Cloud Ascension Mountain Gate hasn't said much about it. So there's no need to worry. Do you have someone who could help - perhaps someone you're mutually attracted to? I could help persuade them."

Having lived an extra lifetime, Ning Fuyi wouldn't be concerned about such things, but a face of heavenly beauty under lamplight suddenly flashed through her mind. Ning Fuyi quickly closed her eyes, chasing away that person's image.

She had actually thought of Chu Qingqiu first! Asking Chu Qingqiu to dual cultivate with her - had she gone mad?

Never mind asking Chu Qingqiu for help - just having such thoughts about her made Ning Fuyi feel like the White Bone would crack her skull the next instant.

"No." So Ning Fuyi answered. "Anyone I'm familiar with wouldn't be appropriate. Though it's a righteous cultivation method, it still requires..."

Neither of them noticed that at the end of the alley, a refined, white figure was pressed against the wall, listening to every word they said.

After hearing Ning Fuyi's response, Chu Qingqiu pressed herself even tighter against the wall, unable to tell if she felt relieved or even more frustrated.

"If there really isn't anyone, I have someone to recommend - my junior sister from when I studied medicine. She later joined the Blissful Union Sect and is named Mo Qihuai²." Jiang Li said. "She has already cultivated to the Immortal Body Realm - more than sufficient to cure your injury."

"Young sect master, don't think too long about this. Your injury cannot be delayed. If you truly suffer a few more attacks, it will be beyond redemption." Jiang Li spoke earnestly.

Ning Fuyi pondered for a moment, then raised her head without being coy: "Very well, then I trouble Medical Immortal Jiang."
